Helion & Company. Hardback. Book Condition: new. BRAND NEW, Mud, Blood and Determination: The History of the 46th (North Midland) Division in the Great War, Simon Peaple, This groundbreaking modern history of the 46th (North Midland) Division draws upon a vast array of largely neglected sources from a variety of archives, and challenges some comfortable assumptions. University historians' increasingly positive views of Haig are challenged by primary evidence of his own blatant willingness to change his mind to protect his promotion prospects. The overall theme is of how the ordinary Tommies of 46th Division learnt to fight more effectively and ultimately stormed the Hindenburg Line. In dealing with the Somme, the book effectively rewrites our understanding of Third Army's experience; the book demonstrates that Middlebrook was mistaken in accepting the claim by Major General Stuart-Wortley that he was sacked for saving his men from further slaughter. That chapter concludes with the evidence of young subalterns, bringing to life moments in history that illuminate a generation's experience of the carnage of war. All previous large-scale studies have focused on elite units, but this book follows this un-fancied, often belittled, division along the learning curve of the British Army. The book therefore develops the view put forward in studies of the Canadian Corps, and reflected in modern biographies of leading commanders, that the British Army gradually developed the system of "bite and hold". The poignant chapter on a "Shot at Dawn" and the concluding chapter on the poor postwar treatment of the many miners make this book more than a purely military history by linking the First World War to its social, political and economic context. "Mud, Blood and Determination" brings scholarly debate, detailed historical accounts and the wider implications of war together for both the specialist military history buff and the...
