

Oxford Bookworms Library 1. Coldest Place on Earth MP3 Pack

By Tim Vicary

Oxford University Press España, S.A., 2016. soft. Book Condition: New. Ideal for elementary learners of English looking to improve or practise their English. The book is filled with useful vocabulary that is carefully graded and easy to understand, it also comes with audio, so that you can listen to the story at the same time as reading. In the summer of 1910, a race began. A race to be the first man at the South Pole, in Antarctica. Robert Falcon Scott, an English man, left London in his ship, the Terra Nova, and began the long journey south. Five days later, another ship also began to travel south. And on this ship was Roald Amundsen, a Norwegian. But Antarctica is the coldest place on earth, and it is a long, hard journey over the ice to the South Pole. Some of the travellers never returned home. This is the story of Scott and Amundsen, and of their famous and dangerous race.
