PINK X-RAY

Big Table Publishing Company, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Brad Rose enhances our understanding of life, death, and everything in-between through manic images that challenge conventional perception. His poetry and short shorts remind us that good literature is not only something to read, but also something to experience. Pink X-Ray provides the kind of reading experience that rattles the brain and refurbishes the heart. Howie Good, Fugitive Pieces Brad Rose s collection of spare and powerful monologues combines the emotional immediacy of micro-fiction with the precision of poetry to confront the twists and turns of our distorted psyches. Pink X-Ray teems with voices in extremis-the homeless veterans, mug shot photographers, pedophiles, arsonists, murderers and their victims who have lived lives beautiful with mistakes (not to mention Wittgenstein and Gertrude Stein, horseflies and hummingbirds)-filtered, with sardonic humor and unblinking directness, through the referential arsenal of Schrodinger s Cat, Godel s Incompleteness Theorem, Munch s Scream and Vegas jackpots. If redemption is the shortest distance between two points then these gut-punching monologues are sure to help us on our way. Susan Lewis, This Visit and How to be Another Pink X-Ray is a vestige of mysteries grazed by the tepid existence of daily duties fuming between crests of crackling language. Rose haunts each line, each page, with the lucidity of a madman swapped at birth, not even a hand without fingerprints is guiltless. Damn inspiring and alive! Get a copy! Meg Tuite, Bound By Blue Comes now Brad Rose with this collection of tiny stories. True: thumb through the book and you ll see poems and, more expectedly, given what I just wrote, very short pieces of fiction that only occasionally exceed a single paragraph...
