Silhouette Books, 2010. Mass Market Paperback. Book Condition: New. 249 pages; Trey Latimer lived just a stone's throw away from Frances "Frankie" Tracker, his old buddy's kid sister. Trey had returned to the Dakotas to rebuild his life after a shattered career and a broken marriage-and just possibly to see if there were any sparks left between him and Frankie. But as the bad moon rose one hot August night, someone tried to murder Frankie's brother. And it could very well have been someone from Trey's family. Could he betray his own flesh and blood, even for the strong and sensuous woman he loved more than life itself?.
