Written by students, for students, Law School Confidential has been the must-have guide for anyone thinking about, applying to, or attending law school for more than a decade. And now, in this newly revised third edition, its more valuable than ever. This isnt the advice of graying professors or battle-scarred practitioners long removed from law school. Robert H. Miller has assembled a blue-ribbon panel of recent graduates from across the country to offer realistic and informative firsthand advice about what law school is really like. This updated edition contains the very latest information and strategies for thriving and surviving in law school from navigating the admissions process and securing financial aid, choosing classes, studying and exam strategies, and securing a seat on the law review to getting a judicial clerkship and a job, passing the bar exam, and much, much more. Newly added material also reveals a sea change that is just starting to occur in legal education, turning it away from the theory-based platform of the previous several decades to a pragmatic platform being demanded by the rigors of todays practices. Law School Confidential is a complete guide to the law school experience that no prospective or current law student can afford to be without. This item ships from multiple locations.
