Pearson Education (US), United States, 2015. Paperback. Book Condition: New. 269 x 211 mm. Language: English . Brand New Book. Guided Worksheets walk students through the big concepts as they work their way through their eText. Stepped-out problems ensure that students are able to process what they have read and tie the concepts together. This allows instructors to build on prior knowledge, strengthens the students memory of concepts, and lead to more engaging classes. Encouraging students to truly engage with these worksheets will ensure the knowledge will stick. *Three-hole punched and unbound, the worksheets provide students with a solid start to a course notebook, helping students stay organized, and with room to take additional notes.* Worksheets can be used for in-classroom activities or at-home reinforcement making it easy to implement Thinking Quantitatively in any classroom format- face-to-face, flipped, or lab-based.
