Kissing Mr Wrong

By Sarah Duncan

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Kissing Mr Wrong, Sarah Duncan, A warm and sexy romance from the author of A SINGLE TO ROME Lu Edwards may write and illustrate books for children, but she's certain she doesn't want children of her own. She believes in travelling light, with not even a goldfish to tie her down, until Nick - a WWI expert with more baggage than Heathrow, right down to the kids, ex-wife and hamster - blows into her life. He's absolutely not Mr Right, but as he helps Lu trace a strand of her family history, she finds herself being drawn into his chaotic but warm world. Being the wicked step-mother was never a role Lu fancied playing, though, and she's not sure that loving Nick will be enough for a happy ever after together.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
