Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

THE PHYSIOLOGY OF TASTE

Penguin Books Ltd, United Kingdom, 1994. Paperback. Book Condition: New. Revised ed.. 192 x 128 mm. Language: English . Brand New Book. A book without precedent, skirting the line between recipe-book, memoir, history and philosophy, Jean-Anthelme Brillat-Savarin's *The Physiology of Taste* is edited with an introduction by Anne Drayton in Penguin Classics . Brillat-Savarin's unique, exuberant collection of dishes, experiences, reflections, history and philosophy raised gastronomy to an art form. First published in France in 1825, this remarkable book reflected a new era in French cuisine: the advent of the restaurant, which gave the bourgeoisie the opportunity to select their dishes with precision and anticipation. Yet the author also gives his views on taste, diet and maintaining a healthy weight, on digestion, sleep, dreams and being a gourmand. Witty, shrewd and anecdotal, *The Physiology of Taste* not only contains some remarkable recipes, it an elegant argument for the pleasures of good food and a hearty appetite. Anne Drayton's lively translation is accompanied by an introduction illustrating the remarkable nature of this work, by a man who was not a chef or an author but a magistrate in a French provincial town. Jean-Anthelme Brillat-Savarin (1755-1825) was born in Belley, France, an area renowned for its food and wine. After graduating in law, Brillat-Savarin became magistrate of Belley and was later elected Mayor. During the French Revolution his life was endangered and he fled to other parts of Europe and then America, earning his living as a violinist in a theatre orchestra. He returned to France in 1796 and became a judge of the Supreme Courts of Appeal. He began compiling a book of meditations on gastronomy and in 1825, a few months before his death, published this brilliant treatise on the pleasures of eating: the culmination of a...
