

Return from the Dead: Encounters with Higher-Order Realities

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ally Reichel)

RETURN FROM THE DEAD: ENCOUNTERS WITH HIGHER-ORDER REALITIES

Createspace, United States, 2013. Paperback. Book Condition: New. Sarah Wentworth (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Science meets spirituality; the two are not separate. This is about a journey which anyone can take, investigating mysteries and the wisdom of the ancients. It leads to gaining self knowledge, learning about the multidimensional universe and all that it encompasses. Thus no longer does one rely on belief but experiences reality. Gaining truth for oneself enables verification of what is all around us, in this third dimension and beyond. Yes, there are spiritual beings; yes there are extraterrestrials and interterrestrials. We are surrounded by overlapping dimensions. There are many hidden things to explore within and without, and this book takes a look at what can be experienced and understood for oneself. Along the way experience an adventure down the rabbit hole. Unlock secrets, expand consciousness and gain understanding about the cosmos; both the micro-cosmos and macro-cosmos. Most importantly is to seek that spiritual truth which leads to a transformation, and leads to peace.
