Centre for Strategic International Studies, U.S., United States, 2008. Paperback. Book Condition: New. 272 x 208 mm. Language: English . Brand New Book. The CSIS U.S. Defense and National Security Group and Defense-Industrial Initiatives Group examined eight years of defense reforms during the administration of George W. Bush and identified for the incoming administration (1) successful reforms to maintain, (2) partially successful reforms to improve, (3) and failed experiments to halt. Presidential transitions often bring the promise of new opportunities and the threat of reversing key advances. With this in mind, the CSIS U.S. Defense and National Security Group and the Defense-Industrial Initiatives Group conducted a study aimed at informing the next Secretary of Defense's transition decisions. The CSIS study team focused on the little understood organizational and process changes that the Bush administration has implemented in an attempt to improve the Defense Department's internal operations in the categories of strategic direction, force development, force employment, force management, and corporate support. The study team found that the attempted Bush administration defense reforms ran the gamut from qualified success to qualified failure. Top 10 recommendations for the next Secretary of Defense: ? Acquisitions: Institutionalize recent guidance, restore a defense acquisition workforce, and provide cost...
