Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Small World, Martin Suter, At first, they put Konrad's absentmindedness down to an immoderate fondness for alcohol. For years he had been a benign parasite on the Koch family, first as the childhood playmate of Thomas, heir to the Koch family fortune, later as caretaker of the Koch family holiday villa on Corfu. And they, in their turn, had used him as the mood took them. But when the villa burns down because of Konrad's forgetfulness, Elvira Senn, the matriarch of the Koch family, puts him on a strict regime. No longer allowed his daily tippie, Konrad recovers and even falls in love again. But then his condition deteriorates. He can't find his way out of the supermarket, let alone his way home. Soon Konrad doesn't even recognise his new lover. Alzheimer's has taken hold. As Konrad loses his present he regains his distant past, and this is what Elvira fears the most. As they watch and wait for him to rewind to the crucial moment, his life is in danger from far more than the debilitating disease. A gripping psychological thriller, Small World depicts a man with a void in his soul whose only salvation lies buried deep within himself.
