Createspace, United States, 2012. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.383 pages of shocking information on how the cost of health care for baby boomers is about to spiral toward the total collapse of the American economy. The government plan is to let millions of elderly and disabled folks die of treatable diseases while the health care system continues killing more than 200,000 patients per year. Find out what end of life counseling really means and how to stop it. The current state of health care is in shambles with doctors and nurses accidentally killing more patients than most of the diseases they are treating. The new law has failed to protect the public with patient safety standards, and will soon head us toward a condition of total financial collapse and chaos with thousands of hospitals and clinics closed down and millions of people dying of treatable diseases. Therefore, to avert this inevitable disaster this book examines the history and current state of affairs of the health care industry and proposes both political and personal solutions such as legislating patient safety standards and staying off the who shall...
